

For customers using the Go To Travel Campaign

The campaign discount will not be applied when the reservation is completed on the hotel's website.

To receive the campaign assistance, please go to the STAYNAVI site after completing the reservation and apply for the GoTo campaign discount.

After issuing the coupon, the discount will be applied by presenting the travel discount coupon number issued by STAYNAVI at the front desk.

Please see the following site for details. (Membership registration is required separately)
